

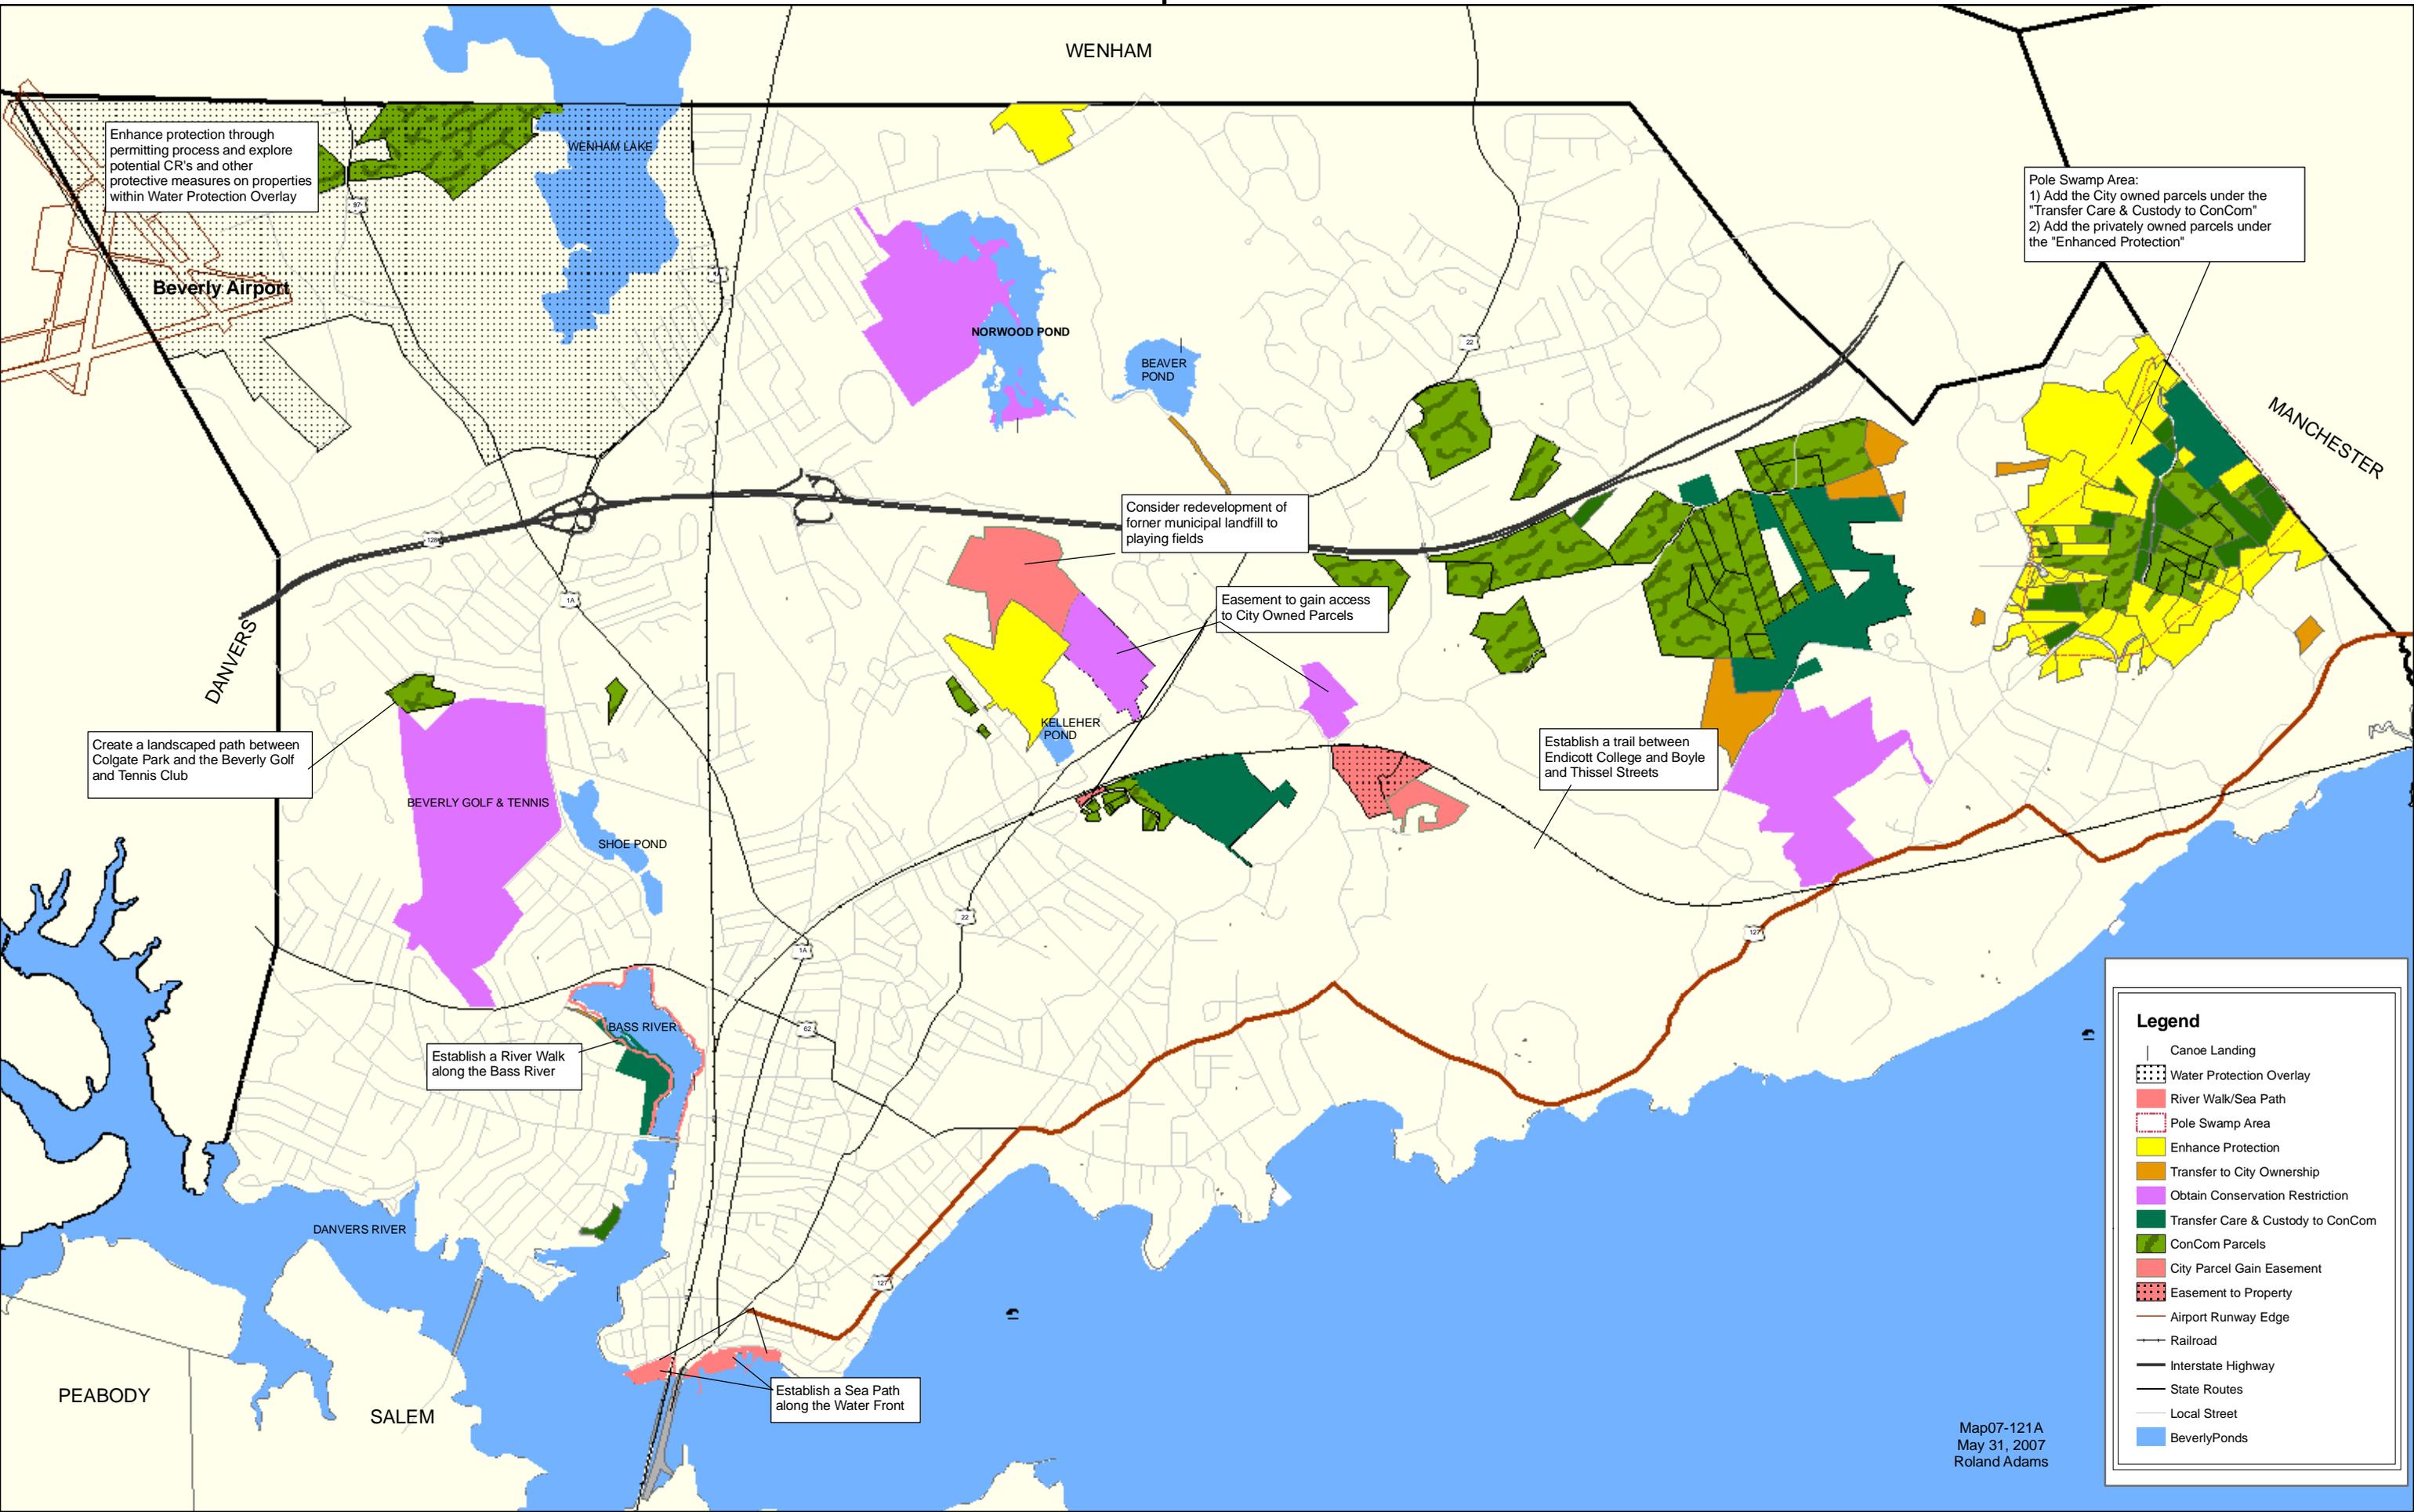

Map 6: Action Plan

Enhance protection through permitting process and explore potential CR's and other protective measures on properties within Water Protection Overlay

Pole Swamp Area:
1) Add the City owned parcels under the "Transfer Care & Custody to ConCom"
2) Add the privately owned parcels under the "Enhanced Protection"

Consider redevelopment of former municipal landfill to playing fields

Easement to gain access to City Owned Parcels

Establish a trail between Endicott College and Boyle and Thissel Streets

Create a landscaped path between Colgate Park and the Beverly Golf and Tennis Club

Establish a River Walk along the Bass River

Establish a Sea Path along the Water Front
