Evaluation Criteria

To be eligible for funding under the Community Preservation Act under the Historic Preservation category, projects must address the preservation needs of a building, structure, vessel, real property, document or artifact listed on the state register of historic places or determined by the Beverly Historic District Commission (BHDC) to be significant in the history, archaeology, architecture or culture of Beverly.

The BHDC will determine a property to be significant if it meets the criteria for listing on the National Register of Historic Places at the local level. Documents and artifacts will be eligible for funding if they are at least 50 years old and determined significant to the history, archaeology, architecture or culture of Beverly.
