**City Ordinance Section XXVIII.2 Trash Removal and Disposal Service Fee:
 (iv) Vacancies: Any property owner who owns an unoccupied unit shall be eligible to receive a credit for each full six-month period for which the unit is not occupied. Property owners must provide documentation to the City Engineer signed under the pains and penalties of perjury demonstrating that the unit was vacant during the entire six month billing period for which such credit is requested. Eligibility shall be determined by the City Engineer using a water bill or in cases where a unit's water meter is not separate from another unit, a letter or billing statement from the Electric Company.*

Once completed, return to: Trash & Recycling Coordinator, Engineering Dept., City Hall
(Incomplete forms will not be considered and returned to you for completion)
