**I. INTRODUCTION**

The City of Beverly is seeking proposals from community agencies, organizations and City Departments for Public Social Service projects to be funded under its **FY2015 Community Development Block Grant (CDBG)** program. The CDBG program is funded through the Massachusetts Department of Housing and Community (DHCD). Through this program, DHCD provides grants to the city to fund projects, which aid in the development of viable urban communities by meeting one of two broad national objectives. These objectives are:

- 1) To benefit low- and moderate-income persons; or
- 2) To aid in the prevention and elimination of slums and blighted areas.

The projected estimated amount of funding available to each community agencies and organizations for Public Social Service projects for program year 2015 is **\$25,000**. The award is anticipated in late summer with the program to run for calendar year 2016.

**II. SUBMISSION INFORMATION**

**V. CDBG PROGRAM GUIDELINES**

Eligibility criteria and requirements for documentation of eligibility for program activities are described below. Each organization receiving CDBG Public Social Service funds must spend all of the grant amounts it was allocated by December 31<sup>st</sup>, 2016.

**PUBLIC SOCIAL SERVICES**

**A. Eligibility Criteria**

In order to be eligible as a public social service, the following criteria must be met: 1) at least 60% of those persons benefiting from the service must be low- and moderate-income; 2) at least 60% of those persons benefiting from the service must be Beverly residents; and, 3) for new programs, the activity must be a new service or a quantifiable increase in the level of an existing service. Public social services are direct services provided to community residents such as, but not limited to: employment, case management, crime prevention, child care, health, drug abuse, education, recreation, counseling, and beautification activities. CDBG funds are intended to be used to fund services or levels of service that are not currently

provided by existing public agencies, organizations and/or City Departments with other funding sources.

B. Requirements for Documentation of Eligibility

Applicants approved for funding in the Public Social Services category must document that at least 60% of persons served are low- and moderate-income persons, and that at least 60% of persons served are Beverly residents. Acceptable forms of documentation are:

1. Participant application or registration forms which include name, address, income, household type, ethnicity, racial background, and signature of participant; or,
2. Location and description of service area boundaries, demonstrating that the project's service area is within a low- and moderate-income block source area where not less than 51% of the residents are persons of low- and moderate-income. Location of an activity in a low-income area does not conclusively demonstrate that an activity benefits low- and moderate-income persons or Beverly residents. Hence, where applicable, records of addresses of persons utilizing the facility will be required as documentation of benefit to low- and moderate-income persons and Beverly residents.
