### Scope of Work:

The work under this contract consists of the rental of equipment for the Public Services Department for all purposes other than for snow and ice removal work.

### Qualifications:

It is the responsibility of each Contractor submitting Bids for the work to assure himself/herself that the equipment/construction methods he/she intends to use are capable of complying with project specifications. The attention of each Contractor submitting Bid is directed to that portion of the project specifications which require the Contractor to demonstrate to the Engineer the ability of his/her crew(s) and equipment to comply with the specifications requirements and to do so at a rate of production consistent with the time allowed under the contract.

In submitting Bids for this work, Contractors are required to identify specific equipment to be used on the project.

### Time Periods:

The Contractor to whom the Contract is awarded shall be required to execute the Contract and furnish the insurance and bonds duly executed with a satisfactory surety company within five (5) days, excluding Saturdays, Sundays and legal holidays of the date of the mailing of the notice to the bidder according to the address given by him/her, that the Contract is ready for execution.

The Contractor shall be required to start work within 48 hours of receipt of a notice to proceed and shall complete all work in a timely fashion as determined by the Commissioner of Public Services or his designee. Timely fashion shall be determined on a job specific basis by the Commissioner of Public Services or his designee.

### Construction Methods:

Bid prices must be furnished on the attached sheets for per day (eight hours), per week (five days) and/or per month (five day week basis) and operator.

The Equipment Rental form must be completed and signed as indicated.

### Special Provisions:

Not applicable.

### Work to be Completed by Others:

Police Details, when required, shall be furnished and paid for by the Department of Public Services.

### Method of Measurement:

The bidder will be paid for a minimum four (4) hours work coinciding with the Public Services Department workday, from 7:30 a.m. to 12:00 p.m. and from 12:30 p.m. to 3:30 p.m. For each hour the equipment works beyond the regular workday, the City agrees to pay for the use of the equipment at the rate per hour of the total daily rate divided by eight (8), plus the overtime pay (half-time) of the operators.

The maximum hourly payment in any one (1) day will not exceed twenty (20) hours.

The daily, weekly or monthly bid prices are to include the trailer-haul charges for both ways. The City has requested separate and individual bids for the trailer-haul for City equipment.

Operators are to be included in the equipment price. Stationary equipment like a pump does not have an operator and therefore an operator shall not be included in the price for stationary equipment.

### Basis of Payment:

Payments shall be made within sixty (60) working days after receipt of an itemized invoice. No payment shall be made for items not ordered or for cancelled items, or for necessary incidental work considered by the City of Beverly to be included in the unit prices bid. If the Contractor determines a discrepancy in billing it must be brought to the City's attention within sixty (60) days of the original invoice date.
