Contractors Wanted

City of Beverly's Housing Rehabilitation Program

The City of Beverly's Department of Planning and Community Development is actively seeking qualified contractors to work with their Housing Rehabilitation Program. The program assists eligible and qualified property owners with existing interior and exterior health hazards, safety hazards and code violations. Major system replacement or repairs may include: Roof, Electric, Heating, Plumbing, Sanitary Plumbing, Structural, Lead Paint Remediation, Weatherization (windows, doors, insulation).

Minority, women-owned and Section 3 contractors are encouraged to participate.

To get the free contractor bid notices, you must first complete a contractor application. For program information and application click here:

If you have difficulty downloading the application, contact Margaret O'Brien at 978-605-2384 or email: mobrien@beverlyma.gov
