COMMUNITY HOUSING FORUM

Thursday, June 16th
6:00 PM

Beverly Senior Center
90 Colon St

The City of Beverly is in the process of preparing a Community Housing Plan that will provide up-to-date information on local housing issues, identify priority housing needs, and propose strategies to address these needs, including how best to invest local resources.

Please come to hear what the City's consulting team has learned so far about shifts in demographic and housing trends. Participate in a special program to get your perspective on the City's future housing agenda. This is the first of two planned public meetings.
