MEDIA ADVISORY: Beverly Route 128 (Northbound and Southbound)

REVISED SCHEDULE Weekday Lane Closures – NOVEMBER 14 AND NOVEMBER 15

Beverly - The Massachusetts Department of Transportation (MassDOT) has announced that the lane closures previously scheduled during the day for November 10 and November 14 have been rescheduled due to mechanical equipment issues. The revised schedule is as follows:

On Monday morning, November 14, lane closures will be implemented between 8:30 a.m., and 2:30 p.m., on Route 128 northbound between Exit 19 (Brimbal Avenue) and Exit 20 (Route 1A) in Beverly.

The closures are needed in order to complete paving operations on the northbound bridge over Tozer Road.

On Tuesday morning, November 15, MassDOT will implement lane closures between 9:30 a.m., and 4:00 p.m., on Route 128 southbound in this same area to complete paving operations on the southbound bridge.

MassDOT encourages drivers to avoid the area and seek alternate routes to minimize delays. Those traveling through the area should expect delays, reduce speed, and use caution.

The schedule for this major infrastructure project is weather dependent and subject to change without notice.
