**RE: CITY OF BEVERLY ANNOUNCES PUBLIC MEETING TO DISCUSS APPROACH TO THE STATE'S LEGALIZATION OF RECREATIONAL MARIJUANA DISPENSARIES**

***Beverly, MA*** – A public meeting to discuss the City's approach to the legalization of recreational marijuana dispensaries and other related facilities will be held at the Beverly Senior Center (90 Colon Street) on Tuesday, September 18, 2018, at 7:00 PM.

The goal of this public meeting is to provide an opportunity for the Beverly community to learn and ask questions about the legalization of recreational marijuana dispensaries, how the Commonwealth of Massachusetts is regulating such uses, how communities and local governments can regulate marijuana-related uses, and the process the City of Beverly will follow to regulate marijuana-related uses.
