2021 Artist in Residence Pilot Program

Beverly Arts District, Beverly MA

The Beverly Arts District (BAD), through the City of Beverly and its partners, is excited to announce the City's first Artist in Residence pilot program. Project partners include: the Massachusetts Cultural Council, Beverly Main Streets, Montserrat College of Art, Beverly Cultural Council, Cabot Performing Arts Center, Creative Collective, and the Metropolitan Area Planning Council. Through this pilot program, the selected artist will be provided with studio space in the Beverly Arts District at no cost to the artist as well as a monthly stipend to support the artist's work. The 2021 Artist in Residence pilot program serves to contribute to the recovery of the Beverly Arts District, located in downtown Beverly, from the impacts of COVID-19. The City is seeking one (1) creative individual to fill the position of Artist in Residence, lasting for a term of approximately three (3) months.

The Beverly Arts District, launched in 2014 by a partnership of Beverly Main Streets, the City of Beverly, and Montserrat College of Art, demonstrates the community's collective commitment to supporting arts and culture. The Beverly Arts District, like other arts and culture communities, has been significantly impacted by COVID-19. The City of Beverly believes investing in this creative opportunity will inspire interaction and beauty throughout the COVID-19 recovery. The Artist in Residence will be an essential component in the City's recovery efforts. We look forward to working with you.

Program Goals

The 2021 Beverly Artist in Residence pilot program addresses multiple COVID-19 recovery goals:

- Activate a vacant storefront as a part-time artist's studio and attract foot-traffic to the Beverly Arts District.
- Provide stipend to an artist.
- Feature the City's COVID-19 recovery in art, whether it be in the art pieces, through community engagement, a gallery show, or preferably a combination.

* These dates subject to change if external factors require. We encourage all interested in this position to submit their contact info to the City to be updated in case the application deadline changes.

† Due to the extended application time, actual move in date and start date will be negotiated with the selected artist based on how quickly they can mobilize and what space improvement needs are. *[Revised: 7/9/2021]*

General Information

- The Artist will be paid a stipend of **\$2,500 monthly** *[revised 7/9/21]*. All materials and supplies will be the responsibility of the Artist.
- Studio space will be located in a vacant downtown storefront in the Beverly Arts District (Cabot Street business district); walking distance to public transit, restaurants and bars, shopping, and grocery or convenience retail. The exact location is being finalized.
- Gallery / display space may also be available at the Cabot Performing Arts Center for a period of time to be determined with the theater operator.
- Rent for studio space and basic utilities will be covered by the City and/or project cosponsors.
- The City of Beverly, location owner, or any of the project partners, are not responsible for damage to work caused by pests, the elements, theft, or vandalism. The Artist is responsible for securing their own theft and general liability insurance.
- Artist support will be provided by the Beverly Planning Department and the Creative Collective, as well as other project partners. This includes support for someone new to an artist in residence program, navigating the relationship with municipal government, and establishing relationships or engagement with local businesses and the community.
- This residency does not include housing or housing expenses.

Public Engagement Details

As part of the Beverly Artist in Residence pilot program, the selected artist is expected to:

- Be present in the studio space and open to the public a minimum of 20 hours a week. Open days must include a minimum of three (3) hours on either Saturday or Sunday. Hours will be negotiated with the City upon selection.
- Conduct workshops and instruction opportunities throughout the term that are suitable for a broad range of ages and community members.
- Interact with the public while working during open office hours.
- Create a community project by the end of the term.

Eligibility

- Prioritizing diversity and inclusion is essential to sustainably recovering from the impacts of COVID-19. We encourage artists of all gender, age, race, ethnicity, national origin, physical ability, sexual orientation/identity, religion/beliefs, and education to apply.
- Emerging and established artists are eligible and encouraged to apply.
- All art forms are welcome.
- Artist shall be comfortable engaging in conversation and discussing their artwork and process in public settings.
- Beverly residency is **not** required.
