

CREATING A BEVERLY HARBOR/WATERFRONT PLAN

The City needs your input and feedback on possible opportunities for public access and amenities, new uses, and different types of development along the Harbor and eastern side of the Bass River.

Coming soon, there are two ways for you share your thoughts and ask questions.

OPEN HOUSE AT BEVERLY PUBLIC LIBRARY MAY 17, 4-7 PM IN THE BARNET GALLERY

32 Essex Street

This Open House provides an opportunity for people to speak with Beverly's Director of Planning and Development, Aaron Clausen, along with a member of the consulting team on a one-on-one basis. Ask you questions. Share your thoughts.

PUBLIC MEETING AT THE BEVERLY SENIOR CENTER , MAY 22, 6 PM

90 Colon Street

This is the second public meeting on this topic, encouraging the community to provide valuable feedback and insight into an approach for creating a vibrant and active waterfront. At this meeting the public will hear the results from the small group discussions held during the first public meeting and further contribute their thoughts to the planning process.

For ADDITIONAL INFORMATION please contact Aaron Clausen, Director of Planning and Development at 978-605-2341.
